

We are a **full service Law Firm in Italy**, focused on corporate issues and complex initiatives.

Our advice and assistance covers a broad range of areas, always with the utmost care and attention to the client's needs. We distinguish for the pragmatic approach and the operational business skills we gained in years.

No matter how complex the issue is, if the values involved are relevant enough we may assist.

Here are few short **video introductions**, also to the area of M&A that I personally follow the most:
